

E4215- Microspot Outdoor Wall Spotlight - Stainless Steel - 12v MR11

Description

E4215 Elipta Microspot outdoor wall spotlight is a miniature adjustable 12v wall spotlight typically used for spotlighting small focal points or downlighting from arbours or pergolas. The flush lens sheds water and leaf litter and is easy to clean. A low energy option is a warm white LED lamp providing almost the same light output as the standard 20w halogen lamp. Microspot Wall is complemented by Microspot Spike for matching miniature lighting in roof gardens and other small spaces.

Electrical	12v MR11 retro-fit LED
Colour/ Finish	316 Grade Stainless Steel
Exterior Dimensions	78mm x 40mm.

Installation guidelines

Screw back plate onto wall, post or Besa box. Seal wall fixing holes with our T9990 outdoor sealant. Mount spotlight base onto to back plate with grub screw fixings allowing rotation of the body to achieve full “pan and tilt” adjustment
