

E4332- Elipta Compact Outdoor Wall Downlight – Black – 240v

Description

E4332 Elipta Compact outdoor wall downlight is a 240v wall or post-mount model for fixed downlighting and grazing. These garden downlights take a range of Led lamps to achieve a variety of garden lighting effects. 3 watt lamps are usually ideal for downlighting from a pergola or grazing down a gate pillar; 5 watts wide beam lamps are often needed for downlighting onto a patio from positions higher up on the house wall. The E4332 can also be used for uplighting.

Electrical data	240v GU10, dimmable with a suitable LED.
