

Elipta EP4836MV- Elipta Spike8 Garden Spotlight - 240v - 8w - 640lm - 36° - 2700K - IP67 - Anodised Anthracite

Description

The Elipta Spike8 LED spike spotlight has a modern yet discrete anodised finish making it suitable for both modern and traditional garden settings. Using a 240v means there is no need for a transformer. By removing the spike from the fitting, it can be mounted on walls, trees or pergolas and used as a downlight.

Electrical	240v built in 8w 640lm LED 2700k warm white 36° beam angle 1.5 metre 3 core HO5RN-F cable
Colour/ Finish	Anthracite anodised aluminium body 180mm black plastic finned spike
Exterior Dimensions	88mm x 44mm. Bracket 51mm tall Max height with bracket 122mm

240v

Pre-wired
1.5m

IP67

Built-in
LED

Stirrup bracket mounts on walls or the ground spike supplied. A 1.5m input cable is provided for connection to the mains supply via a separate weatherproof junction box or underground joint kit (not supplied).

Using a single RCD for large numbers of 240v fittings is not recommended due to the risk of nuisance tripping. We advise the use of separate RCD protection for each circuit and a maximum of 12 fittings per RCD.

3 YEAR WARRANTY

Exclusions: Damage by machinery, animals or the use of incorrect cleaning materials. Damage due to incorrect installation practices. Responsibility for 3rd party cost; indirect or consequential loss.
