Colour/ Finish	Black powder coated Aluminium.
Exterior Dimensions	160mm tall by 110mm wide.
Cable	Prewired with 1.5m 0.75mm^2 HO5RN-F

Installation guidelines

Connect fitted 1.5m cable to low voltage supply cable by crimped heat shrink joint - order cable joint kit T9962 separately. Connect into a cable run supplying several fittings with a T9963 cable splice kit, which is also used for all connections where 4mm low voltage cable is used for longer cable runs.

12 volts - requires power from a 12v DC power supply.
