

PF7W- 7w Floodlight 550lm IP66 Rustic Brown 2700K C/w Spike & Shield

Description

The PF7W 7w floodlight is a small easy to install versatile Plug&Play garden light. The built-in warm white 2700k 550lm LEDs is perfect for lighting large bushes and shrubs, as well as small trees. The easily adjustable head also makes this a useful light for wall washing. The optional Glare shield, supplied, easily attaches with the provided bolts. The PF7W has a beam angle of 85° horizontal by 120° vertical. The Plug&Play plugs can be cut off to hard wire into *wire wound transformers only*.

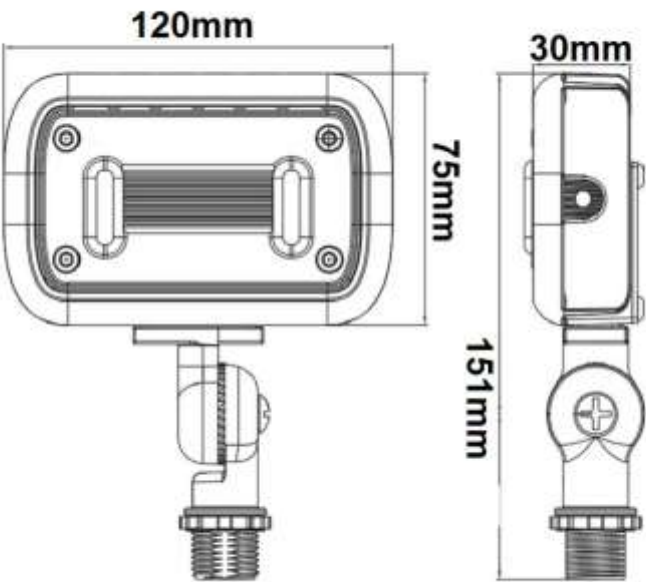

Installation guidelines

1.5m of 2 core cable with male IP44 2-pin input connector to plug into a Plug&Play transformer. Not suitable for electronics power supplies
