

E4012R – Screw-on tree mount

Installation notes

E4012R screw-on tree mount converts the Elipta Compact Spike Spotlight to an adjustable tree mounted spotlight, typically used for moonlighting and downlighting from trees.

Unscrew spike mount from the spike spotlight and fit it onto the centre bush of the E4012B tree mount: tighten the lock nut against the hollow threaded section of the spike spotlight to secure its position.
