

Features:

- 1-10V dimming
- Integrated over temperature protection fuse
- Module case ultrasonically sealed to reduce buzzing
- Fits a plaster depth (16mm) mounting box
- Complies with the latest Electrical Safety standards for dimmer switches EN60669-2-1:2000
- EMC compliance – EN55015
- 3 years warranty

1-10V Dimmer suitable for control of dimmable 1-10V LED drivers

Model	EcoDim-1-10V
Input Voltage Type	DC
Input Voltage (Max)	10V
Input Voltage (Min)	1V
Dimensions (H x W x D)	62.2 x 26 x 46.2mm
