

B9403N – 12V LED Driver IP68

Description

12V DC Constant voltage LED driver, designed for ground burial under decking, hedges and shrubs.

Note – Not submersible

Part code	B9403N
Dimensions (mm)	145x55
Cable length (mm)	500mm
Construction	Polycarbonate
Class	Class II
IP rating	IP68
Input voltage	240V 50Hz
Output voltage	12V DC
Max wattage	15W
Dimmable	No
Net weight (g)	611
Gross weight (g)	642
Warranty	2 Years
Origin of manufacture	PRC

12v
DC

IP68

2 YEAR WARRANTY

Electronic Controllers, Power
Supplies & LED Drivers

Exclusions: Damage due to incorrect installation or misuse. Responsibility for 3rd party costs; indirect or consequential loss.
